Upcoming Dates

Term 2 Week 8

Well what a few interesting weeks it has been! We were back, then the power outage happened and we were back home! I must admit it is quite exhausting changing from onsite to offsite and back again – and this impacts our students, staff and families. It was great to see our students' smiling faces last Friday when we could be onsite. Thank you to parents who assisted in setting up learning spaces and gave their children help when needed. A big thank you to all staff who willingly took on video conferencing to ensure learning continuity for our students. The Principal conference I was to attend has been postponed to 3rd and 4th August next term.

Term 3

I will be taking long service leave for the first 2 weeks of Term 3. I have planned on a week in Perth followed by taking the Indian Pacific across to Sydney before flying back into Melbourne. Ben Gallagher will be Acting Principal in my absence. Ben is a leading teacher at Melton Primary School and has done a number of acting roles in other small schools. Please make him feel welcome.

Reader bags

We are not seeing every student's reader bag come to school each day – please make this a routine with your child to put in their bag after reading each day.

Assessment Information

Literacy Assessment: Writing moderation

Each term the staff moderate an unassisted piece of writing each student completes. This ensures what we are teaching is being embedded in the student's knowledge, and shows us any gaps we need to address. It also gives us an understanding of where the students are in accordance with the Victorian Curriculum. Each term, we also get together with Warrenheip, Lal Lal and Bungaree to moderate across the schools. This allows us to collaborate and share ideas across our schools to ensure we are continually working at best practice.
