• The school will make available application forms for volunteers wishing to apply for a WWC Check.
• The school will keep a register listing the relevant details of those people who have obtained a WWC Check so that it will not be necessary to produce the Check on every occasion. This register will be maintained by the Business Manager/ Principal.
• The register will be updated with new WWC checks on an ongoing basis. At the start of every year the register will be updated and all WWC checks will be checked against the Department’s Central Register for continued suitability. This will be done by the business manager.
• All staff are required to be registered with the Victorian Institute of Teaching (VIT) and are therefore exempt from requiring a Working With Children Check as registration requires this check.

• Any person registered with the VIT seeking casual or contract employment must provide a copy of a current registration before commencing. Employment agencies used by the school require the same for Casual Relief Teaching.
• All School Support Officers (SSSO) employed must have undertaken a Working with Children Check.
• Any casual staff member employed requires a Police/WWC or VIT Check obtained within the last three years to undertake duties in the school.
• Sufficient time will be given for volunteers attending camps to obtain a WWC Check.
• All employees and volunteers of Gordon Primary School are responsible for acquiring and maintaining current WWC Checks.
• Regular and systematic checks will be conducted by the Principal/School Business Manager.

EVALUATION:

• This policy will be reviewed as part of the school’s four-year review cycle.
