POLICY

There are many occasions during the school year where Mount Egerton Primary School staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, end of year concerts, excursions, camps etc. We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and Facebook.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

Mount Egerton Primary School

This policy outlines the practices that Mount Egerton Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting the Principal in writing by sending an email to mount.egerton.ps@education.vic.gov.au. If consent is withdrawn verbally, the school will make a written record of this. However:
