Upcoming Dates

Principal's Message:

Welcome to Term 4

Welcome back to all our students, families and staff for **Term 4**! I hope everyone enjoyed a restful break and is feeling refreshed and ready for a busy and exciting final term of the year.

We have some fantastic Physical Education opportunities planned this term. We are very excited to have Cricket Australia and Football Victoria providing coaching sessions for our students on a Friday. These sessions will give students the opportunity to develop their cricket and soccer skills, learn from experienced coaches, stay active and, most importantly, have fun! We are looking forward to seeing everyone get involved and give these activities a go. Please ensure appropriate footwear is worn on Fridays for these sessions.

As we move into the warmer weather, please remember to send children to school each day with a hat and a water bottle. Staying hydrated and being sun safe are especially important as temperatures begin to rise.

With the possibility of extreme weather this term, there may be occasions when we need to relocate to Gordon Primary School. If relocation is required, I will communicate with families as early as possible. On these days, families will need to drop their children directly at Gordon Primary School. Please keep an eye on school communications, particularly during periods of extreme weather.

A reminder that our next School Council meeting will be held in Week 4, on Tuesday 27th October at 3:30pm in the library.

Term 4 is always an exciting term, but it can also be a tiring one as we approach the end of the school year. Maintaining regular attendance remains very important. Every school day provides valuable opportunities for learning, connection and participation, so we encourage families to continue supporting strong attendance right through to the end of the year.

I'm looking forward to some feedback from our senior regarding camp this week (next newsletter) and a wonderful Term 4 celebrating all that our students achieve over the coming weeks.

JSC Freezy Fridays

Every Friday Term 4

Zooper Doopers - \$1 each

Beginning Friday 16th October

Tuesday 13th October

Junior Earth Ed Excursion

Tuesday 20th October

Student Awards

- ❖ Congratulations to Justin for demonstrating our school value of Community. Justin is consistently a kind, support and respectful member of the school.
- ❖ Congratulations to Lily for demonstrating our school value of Resilience. Lily has settled into term 4 incredibly well.

Reading Awards

- ❖ Congratulations to Archie for reading 225 nights!
- ❖ Congratulations to Max for reading 200 nights!
- ❖ Congratulations to Addy & Brooklyn F for reading 25 nights!

Spelling Awards

M100W

- ❖ Congratulations Max on receiving awards for Indigo, Violet & mastering his M100 words.
- ❖ Congratulations Addy on receiving an award for Orange words.

Resilience: Picking yourself back up and giving new experiences a go...

Perseverance: Challenging yourself to do your best...

Kindness: Being friendly, generous and considerate of others...

Community: Representing Mount Egerton with pride...

FIRE DANGER RATING

School preparations for the bushfire season

Each year, we undertake a range of activities to ensure the safety of our school and to prepare for bushfires and grassfires. An important part of this process is communicating to parents what will happen when certain fire danger ratings are issued to help ensure the safety of students and staff.

Our school has been identified as being in one of the highest fire risk categories – Category 2. On elevated fire danger days, schools in the highest levels of risk take pre-emptive actions to minimise the risk of being caught in a fire in these conditions.

Our school will action its pre-emptive plan for **relocation** on a day forecasted as **Extreme fire danger rating** in our **local government area (LGA), Moorabool Shire Council**.

Our school will also **close** on a day forecasted as **Catastrophic fire danger rating** in **Southwest fire district**. **Mount Egerton Primary School will relocate to Gordon Primary School on these days**

We will let you know when we are enacting our pre-emptive action plan by **Compass & SMS**. Please be aware that no one will be on site on days where the school has enacted this plan.

As part of preparing our school for the fire season, we have updated and completed our Emergency Management Plan and reprioritised any maintenance works that may assist in preparing for the threat of fire and continually clearing our facility's grounds and gutters.

What can families and the school community do to help us prepare?

- Ensure we have your current contact details, including your mobile phone numbers.
- Keep in touch with us by checking Compass, reading our Newsletter and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan if you have any concerns.
- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements if our school is relocated due to elevated fire danger or closed due to a Catastrophic fire danger rating. Further information can be found on the [CFA's website](#).
- Action your family's bushfire survival plan if your own triggers are met. Our school community may be spread out across many areas, and some families may be at higher risk than others. Your family's safety is critical, so please let us know if you are enacting your bushfire survival plan and if your children will be absent on these days.
- If your child is old enough, talk to [them about bushfires](#) and your family's bushfire survival plan.

You can find more information on emergencies, and preparedness actions here:

- VicEmergency app – that can be downloaded on your android and iOS mobile devices

- Facebook (<https://www.facebook.com/vicemergency>)
- Twitter (<https://twitter.com/vicemergency>)
- ABC local radio, Sky News and other emergency broadcasters

Frequently Asked Questions

What is the department's policy?

The Department of Education annually assesses the fire risk of all schools and early childhood services with the support of the Commonwealth Scientific and Industrial Research Organisation (CSIRO). They are allocated a category of risk (categories 0 to 6). Schools and services that are categories 0-3 are published on the [Bushfire At-Risk Register \(BARR\)](#). Schools at some risk of bushfire and grassfire are published on the [Category 4 List](#).

The department's [Bushfire and Grassfire Preparedness Policy](#) requires schools at high risk of bushfire to enact pre-emptive action plans based on LGA-level fire danger forecasts. Conditions can vary significantly across the wider weather district, so using local forecasts helps us to respond appropriately to risks in our local area and

maintain stability and educational continuity for our students and school community. This policy is consistent for all schools at high levels of risk, and this approach is supported by emergency services.

The policy also requires that all schools and early childhood services on the BARR and the Category 4 list close when a Catastrophic fire danger rating day is forecast in their fire weather district. All school bus routes which travel in or through a district with Catastrophic fire danger must also be cancelled.

Why do we use the LGA forecast?

When the Bureau of Meteorology (BoM) provides public fire danger rating forecasts, they use fire weather district areas. In Victoria, there are 9 fire weather districts, which include numerous Local Government Areas. As conditions can vary significantly across a wider weather district, the department uses BoM LGA forecasts for some pre-emptive actions to respond appropriately to risks in the local area and maintain safe educational continuity for students and the school community. LGA forecasts are a subset of the weather district ratings and while not issued publicly, are provided to emergency services and government departments to support planning and operational activities.

This policy is consistent for all schools at high levels of risk, and this approach is supported by emergency services, including the Country Fire Authority (CFA).

What do we do when our LGA has a different fire danger rating to the wider fire weather district?

As we respond to local conditions, there may be days during the fire season when our fire weather district, is forecast as an Extreme fire danger rating, but our LGA is at a lower level of fire danger. On these days our school operations will continue as normal; however, we will be taking action in line with fire services' advice by:

- checking our Emergency Management Plan and taking any necessary preparedness actions
- actively monitoring our local conditions and warnings
- having plans and procedures in place for if a fire starts to support us to take immediate action.

While our school will continue to operate, we encourage our school community to consider their own [bushfire survival plan](#) and reassess any travel through bushfire risk areas. We encourage you to follow your family bushfire survival plan and the advice of emergency services.

There may also be days where our LGA is forecast as Extreme fire danger, but Southwest district is not. On these days we **will** enact our pre-emptive action plan.

When will our school be closed due to Catastrophic fire danger?

Our school will also **close** on a day forecasted as **Catastrophic fire danger rating in Southwest fire district**. Closure of the school due to a Catastrophic fire danger rating will be enacted when the BOM forecast and related public safety messaging is confirmed. Due to uncertainties in the forecast, the timing of this confirmation may vary. Information regarding potential or confirmed Catastrophic fire danger days will be communicated to you by **Compass & SMS**.

It is also important to be aware that:

- No one will be on site on days where the school is closed due to a forecast Catastrophic day.
- Out-of-school-hours care will also be cancelled on these days.
- All bus routes that travel through the Catastrophic area will be cancelled.
- School camps will be cancelled if a Catastrophic fire danger rating day is forecast for fire weather district in which the camp is located, or if the travel involves passing through areas that have Catastrophic fire danger.

Families are encouraged to enact their Bushfire Survival Plan on Catastrophic fire danger rating days. **On such days, children should never be left at home alone or in the care of older children.**

For those of us living in a bushfire prone area, the Country Fire Authority (CFA) advises that when Catastrophic days are forecast, the safest option is to leave the night before or early on the morning of the Catastrophic day.

Make-A-Wish Australia, Ballarat Volunteer Branch is feeling excited at Lake Wendouree Football Netball Club.

📌 School Policies:

Becoming a volunteer at Mount Egerton Primary School

We have updated our Policy. Members of our school community who would like to volunteer are encouraged to speak with the principal Janet Tuaine to complete the Child Safety Induction, as well as complete a volunteer OHS induction.

Throughout the year, the school may call on volunteers to assist with things like fundraising activities, excursions, sport events etc., this will be done via the newsletter and/or emails to families. Induction lasts for 12 months.

Working with students

Mount Egerton Primary School values the many volunteers that assist in our classrooms, with sports events, on camps, during excursions, in breakfast club, and in other events. To ensure that we are meeting our legal obligations under the *Worker Screening Act* and the Child Safe Standards, Mount Egerton Primary School is required to undertake suitability checks which in most cases will involve asking for evidence of a Working with Children (WWC) Clearance and may also involve undertaking reference, proof of identity, qualification and work history involving children checks.

Where prospective volunteers are required under the law and our volunteer policy to have a WWC Clearance, the principal has the discretion to accept evidence of a WWC check application in order to commence volunteer work, provided the volunteer provides the school with evidence of the application outcome (clearance or exclusion) as soon as practicable after the applicant receives it.

In the case of nominating for school council, the person must already hold a WWC Clearance to be eligible to nominate (it is not possible to nominate with only an application for a WWC Check).

Gordon Tennis Club

Junior Tennis Coaching registrations now open.

Tues 20th Oct -Tues 15th Dec (8 weeks) Cost \$150 per term. Lessons run by Tennis Vic Coach Jo Beattie.

Also Expression of interest open for Spring/Summer 2026/27 Junior Tennis Competition. Games alternate between Gordon and local towns in our district. Teams are made up of 3-4 players.

To register your child's interest in either coaching, competition or both please email gordontennisclub@gmail.com or contact Rosie 0400930190

Many thanks – Rosie

Raising Children Australia is your complete and trusted online parenting resource.

At raisingchildren.net.au, we provide free, reliable, up-to-date and independent information to help your family grow and thrive together. We're funded by the Australian Government, reviewed by experts and non-commercial, so you know you can trust us.

Designed for busy families and full of tips and tricks for you to try, our content is easy to find and easy to digest. We have the answers to hundreds of parenting questions, where and when you need them.

Our articles, videos and interactive resources are tailored to different ages and stages, taking you from nurturing a newborn to raising a confident, resilient teen - and helping you to look after yourself as a parent too.

raisingchildren.net.au is here for you, every step of your parenting journey.

Mount Egerton Early Explorers Program – Term 4 Session
Thursday 22nd October 19th November 26th November 3rd December & 8th December.

Mount Egerton Early Explorers Program MEEEP

Our Early Explorers Program, MEEEP, is a specially curated Pre-Prep learning program for children who are considering attending Mount Egerton Primary School for their Foundation year. The program is designed to ensure a smooth & connected transition experience for your child. Our Mount Egerton Early Explorers Program runs from term one to term four, offering several morning sessions.

Facilitated by our experienced Junior Room teacher, MEEEP will enable your child to:

- Become confident with Foundation routines & school.
- Meet staff & form friendships with other Junior room peers.
- Participate in engaging early literacy & numeracy activities. As well as enjoy indoor & outdoor learning opportunities.

Please contact Principal Janet Tuaine to arrange your child's participation in MEEEP for 2026!

Our Service:

- ✓ Engaging Pre-Prep Program
- ✓ Stimulating School Environment
- ✓ Qualified & Nurturing Teachers
- ✓ Creative, Fun & Hands-On
- ✓ Indoor and Outdoor Learning
